Re. Ground rent payable by the Hassan Town Municipal Council to P.W.D. towards use of the Jail Compound and Bangalore-Mangalore Road margin for Jatra purposes

---

With reference to your No 5914 dated the 2nd February 1939 forwarding a copy of the Chief Engineer's No. 7082 dated the 28th January 1939 on the above subject, and calling for a report on the points raised, I have the honor to state as follows -

In Government Order No L 6310-12/M1 76-35-78 dated 21-1-38 the Government directed that for occupation of the margins of Bangalore Mangalore road, and the Jail compound in Hassan Town for holding the Cattle show and Jatra, etc , the Hassan Town Municipality should contribute a ground rent of Rs 400/- out of the amount realised by them from the rents of stalls erected at the place, to the Public Works Department, who were in charge of the grounds

On a representation by the Municipality the Government were pleased to reduce the amount of the above ground rent to Rs 100/- only in the second Government Order No L 8376-8/M1 76-35-81 dated the 18th April 1938 stating that it was sufficient to levy a nomina ground rent, to indicate that the land in question is the property of Government and is not vested in the Hassan Town Municipal - - Council

It is seen from the Deputy Commissioner's letter that the Municipality are now claiming proprietary rights also of the margin lands

The ~~main~~ margin lands in question are (1) the compound of the Government Jail Building and (2) the margin on either side of the Bangalo Mangalore road, which is a Provincial Road, as such both the properties by their very nature belong to Government If the Municipality claim any proprietry rights, they have to prove their title

by records. Up till now, the onus of disposing of, of all the dried trees in the area, and of replanting shady trees, etc., has fallen on the Public Works Department alone, as is clear from the Correpondence with the Deputy Commissioner, extracts of which are herewith annexed for favour of information.

Regarding the argument by the Hassan Town Municipality that they are realising the produce of the trees, etc., it is to be stated that trees in the area under question are only, Gold Mohar, Fir, Accacia, etc., and thus are not produce yielding ones. The wells referred to, also do not come in the area under reference.

Under these circumstances, I am of opinion that the levy of a nominal rent of Rs 100/- is quite inappreciable when compared with the realisations of about Rs 3,000/- to Rs 5,000/-.

On the representation of the Municipality, the Dewan has been pleased to order that the fee may be waived.

As the margin lands are the property of Government, a nominal fee of rupees ten at least may be levied towards ground rent.
